Configuration and Overview

Microwave Type	Over-the-Range
Size (IN, inches)	30

This high power, 950-watt microwave oven features four sensor functions to assist you in the kitchen by automatically adjusting the time needed to cook, reheat or defrost without guesswork about power levels or cooking times. The interior's CookShield Finish wipes clean without harsh chemicals so it looks brighter longer while the exterior is a bold blend of professionally-inspired styling with sleek touches for the home.
